

DR. THOMAS RITTER

APRIL 16-18<sup>TH</sup> CLINIC

We welcome Dr. Thomas Ritter to Central Ohio. The 2009 clinics were so inspiring, we plan on having Thomas as a regular clinician.

Dr. Ritter has studied in Germany with Egon Von Neindorff and Dorothee and Thomas Faltejsek, along with several other instructors from the famous Spanish Riding School, and continues studying here in the USA and in Germany.

Thomas and his wife, Shana operate Artistic Dressage in Eugene, Oregon. He competes through FEI and teaches nationally and in Europe, along with Shana. The Ritters welcomed baby Dylan in October, 2009.

He has written many articles that are featured in Dressage Today and Cavallo. His website features many helpful instructional blogs and videos. They can be seen at [www. artisticdressage.com](http://www.artisticdressage.com)

Dr. Ritter brings a classical, yet fresh approach to his clinics, where he enjoys working with amateurs and young horses as well as seasoned pairs. He is particularly insightful designing very helpful exercises to improve each horse and rider and has a wonderful talent for teaching passage and piaffe.

This clinic will be held April 16-18th at South Wind Stables and our host, Amy Rothe-Hietter . Amy is a graduate with distinction in USDF L- judges program, and has earned her bronze medal. A few rider slots are available and auditors will be heartily welcomed and lunch available.
