

Hello CADS!

Happy Spring! I hope everyone is taking advantage of this wonderful weather. I know my mare and I both appreciate losing a few layers of clothes. This warm weather should be inspiring all of you to start preparing for our horse shows. Everyone should plan on attending the Jackie Smith clinic on Saturday, April 11. All of the ride times have been filled however, you can still put your name on a reserve list. Members will be able to audit the clinic for free. There will also be a lecture on the training pyramid including a demonstration of common test errors and how to correct them. Both portions of this clinic will provide a great deal of information. Don't miss out on this opportunity to help improve your test scores! "Horse show fever" should be reaching its peak. Show bills have been sent out and will be arriving in your mailboxes soon! Members should note that there have been changes and additions made this year. Everyone should take the time to read the show bills thoroughly. One of the additions this year is CADS apparel. Order forms are included in the show bills and are on the website. Thank you to all of the members who attended the general membership meeting and helped assemble the show bills. Meeting attendance has been on the rise this year. It is really great to see members support their club by being active and involved. I hope this trend continues! The next club meeting will be a Kachina Farm on Saturday, May 30th. The meeting will begin promptly at 2:30pm and will last 45-60 minutes.

Happy Easter!

Michele Hoskinson, President
