

Hi Everyone!

Well its about time for spring to show up...hopefully!!! I hope that everyone has been able to stay above the snow and stay warm.

We are just about to get the season started with our first clinic on March 27<sup>th</sup> and 28<sup>th</sup> with Charlotte Bayley-Schindelholz. We are still looking to fill riding spots and auditors are welcome and appreciated.

Since we are “going green” this year and trying to save paper and use our website for spreading the word for all of our clinics and shows it is very important that everyone helps to spread the word and keep checking the CADS website for any updated information.

The next meeting time & date is Sunday March 7<sup>th</sup>, 2:00 at my house. The address is on the website and I hope to see many smiling CADS members there!

Thank You!

CADS President

Amber Abrecht
