

# **CADS Equine Biosecurity Practices**

## **Underlying Prevention:**

**Proof of Vaccination and COGGINS must be on file before unloading a horse at the Brecksville facility.**

## **Show-Day and Event Precautions:**

**Do not touch Horses that are not your own.**

**Communal hoses will NOT be available at this time.**

**Fresh stall shavings will be provided for each event.**

**Riders will strip the stall after each event.**

**Stalls will be disinfected with HOCL after each event.**

**Management may stagger Stalls to spread out horses.**
